## Limited Warranty

Turbo Burn, Inc warrants all TB series stored energy systems to be free from defects in materials and workmanship for a period of five (5) years from the date of delivery to the original purchaser. This warranty is non-transferable.

During this five year period if any necessary repairs cannot be made on sight and return of the unit is deemed necessary for warranty evaluation it shall be sent to the factory freight prepaid by the purchaser. The purchaser shall also be responsible for return transportation costs from the factory.

Turbo Burn, Inc reserves the right to determine appropriate action for repair or replacement.

All TB series stored energy systems are warranted against rust, corrosion and burn through for a period of fifteen (15) years from the date of delivery under the following conditions.

1. The purchaser shall return a completed warranty card within thirty (30) days from the date of delivery.
2. The purchaser shall send in an eight (8) ounce water sample quarterly for the first two (2) years after the date of delivery, and bi-annually from the end of that period forward.
3. After water test sample analysis the purchaser shall chemically treat the water in their TB series stored energy unit in accordance with instructions received from Turbo Burn, Inc. This information will be recorded by Turbo Burn, Inc.

This warranty is void if there is a failure to comply with any of the above or it is deemed that misuse, neglect, unauthorized alteration, lack of any necessary maintenance or faulty installation is found to be the cause of failure.

This warranty only covers components and parts of the TB series stored energy system manufactured and assembled by Turbo Burn, Inc.

The above warranty is in lieu of all other warranties expressed or implied. Turbo Burn, Inc does not authorize any person or representative to make or assume any obligation or liability that is not in accordance with the above warranty. Turbo Burn, Inc is not responsible for any labor cost unless prior authorization in writing has been obtained.

---
